

Florida Coalition for Optimal Mental Health and Aging

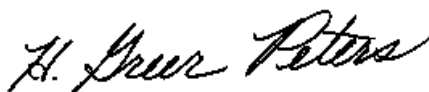

May 18, 2000

Dear Coalition Member:

One of the priorities of the Public Education Prevention and Training Committee is to establish a Speaker's Bureau. As a Coalition member, you have a wealth of knowledge and expertise that can be shared with the public. Implementing a Speaker's Bureau is a critical step towards the mission of the Coalition.

We are interested in knowing on which topics you are willing to present on and what geographical locations to which you are willing to travel. Presentations will be made as a public service, and on a pro bono basis.

Please take a few minutes to complete the registration form on the next page and return to Ms. Betty Watson by **June 30, 2000**. Additional information on the project will follow in the next couple of months. Thank you in advance for your participation. An active Speaker's Bureau will greatly promote the Coalition's mission. For more information call: Chuck Boardman – (727) 789-3161, Greer Peters – (941) 741-3805 or Betty Watson – (813) 974-1975.
